Skin Rejuvenation  
Blood Vessels Removal (under eye)

● Acne scar

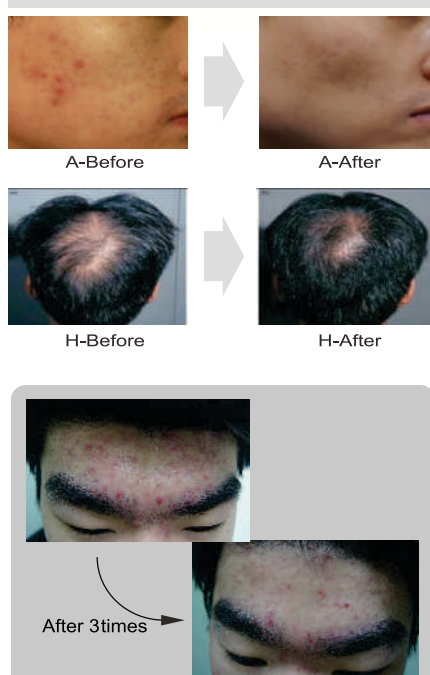

● Stretch mark

● Collagen induction

● Face lifting

● Skin pore

Before & After

A series of four 'Before & After' photographs showing skin improvement. The first row shows 'A-Before' (skin with redness) and 'A-After' (clearer skin). The second row shows 'H-Before' (hair loss on the scalp) and 'H-After' (hair regrowth). The third row shows a 'Before' image of a forehead with acne scars and a 'After 3times' image showing significant reduction in scars.
